

GLOBAL COMPETENCE CENTRE OF EDELWEISS DENTISTRY

DENTAL ACADEMY OF EXCELLENCE

edelweiss Advanced Workshop 2023
Berlarij 57, 2500 Lier, Belgium

DATE: 12th – 16th of December

Clinical workflows for perfect smiles using innovative minimal or non-invasive procedures, bringing harmony and balance to the face naturally. Discover your smile!

Conservative treatments that modify the shape, size, and color of the teeth to meet patient's expectations, is leading the way in esthetic trends. edelweiss dentistry is at the forefront of this minimally invasive esthetic trend.

The edelweiss Direct VENEER and OCCLUSIONVD systems fulfill patient's bio-logical, bio-mechanical and bio-esthetic needs and does not require additional steps like anesthesia, impressions, temporary restorations, etc. – resulting in cost and time saving for the dentists and patients.

AIMS OF THE COURSE

In this edelweiss Advanced Workshop, minimal and non-preparation esthetic procedures will be shown from digital smile design to final cementation. Full mouth rehabilitation cases from opening of the vertical dimension and splint therapy will be taught. Digital workflows from designing, tooth preparation, milling procedures and finishing of the final CAD/CAM restorations will be demonstrated.

Delegates will work with edelweiss VENEER and OCCLUSIONVD systems on plaster models on advanced cases like midline diastema closures, rotated teeth etc. At the laboratory, our master dental technician will demonstrate the use of articulators and how to open the vertical dimension. During the live patient demonstration delegates can follow all the clinical steps.

Following this advanced workshop, delegates will be able to identify unmet patient's needs to boost their esthetic procedures and optimize their business.

edelweiss dentistry invites you to their Headquarters in Wolfurt, Austria to experience a novelty in the dental world.

Dear Doctor, we welcome you to the
edelweiss dentistry family!

LECTURERS

Marco Tudts
D.D.S.M.Sc.D
Head of Global Competence Centre
Head of Advisory Board CAD/CAM
KOL edelweiss Europe

Stephan Lampi
B.Ch.D. MClin. Aesth./Rest. Dent.
M.D.T. B.B.A.
CEO & founder edelweiss dentistry

WORKSHOP PRELIMINARY AGENDA

Arrival Day

12th December

- | | |
|----------|--|
| 7:15 PM | Meet at hotel foyer – Welcome Dinner at Restaurant |
| 10:00 PM | Return to hotel |

Workshop Day 1

13th December

- | | |
|----------|---|
| 8:30 AM | Pick-up at hotel |
| 9:00 AM | Welcome at edelweiss Global Competence Centre |
| 9:15 AM | Lecture “Bio-Esthetics and Bio-Function for direct and indirect clinical workflows from clinical design to laboratory manufacture with edelweiss CAD/CAM BLOCKs” (Stephan Lampl, Thomas Lampl, Desigar Moodley) |
| 11:00 AM | Coffee/Tea break |
| 11:30 AM | <div></div> <div>DR. CLAUDIO NOVELLI Memorial Lecture: “My journey with edelweiss dentistry” (Stephan Lampl & Desigar Moodley)</div> |
| 12:30 PM | Lunch break |
| 1:30 PM | Lecture: Full digital workflow with edelweiss CAD/CAM BLOCKs” (Marco Tudts) |
| 3:30 PM | Hands-on CAD/CAM BLOCKs demonstration (Thomas Lampl) |
| 5:30 PM | Pick up at Cosmident |
| 7:00 PM | Dinner at Restaurant |
| 10:00 PM | Return to hotel |

LIVE PATIENT DEMONSTRATION

Delegates will observe first-hand CAD/CAM and Veneer placement and immediate loading with CAD/CAM designed restorations.

LEARNING OUTCOMES

- To identify and fulfill unmet patient's needs to boost elective treatments within your office and optimize your practice business by applying these protocols and materials that is time and cost saving.
 - Reach a high level of competence in various procedures, from the planning to the realization of the treatment during our live patient demonstration.
-

WORKSHOP PRELIMINARY AGENDA

Workshop Day 2

14th December

| | |
|----------|--|
| 8:30 AM | Pick-up at hotel |
| 9:00 AM | Introduction of live patient (Marco Tudts) |
| 10:00 AM | The Biomimetic concepts applied to Edelweiss Dentistry (Deepak Mehta) |
| 11:00 AM | Coffee/Tea break |
| 11:30 AM | Lecture "Restoration of endodontically treated teeth" (Deepak Mehta) |
| 12:30 PM | Lunch break |
| 1:30 PM | Live Patient watch over |
| 3:30 PM | Hands- on VENEERS & OCCLUSIONVD |
| 5:30 PM | Pick up at Cosmident |
| 7:00 PM | Dinner at Restaurant |
| 10:00 PM | Return to hotel |

Workshop Day 3

15th December

| | |
|----------|--|
| 8:30 AM | Pick-up at hotel |
| 9:00 AM | Lecture "OCCLUSION when it comes to vertical dimension" (Martin Lampl) |
| 11:00 AM | Coffee/Tea break |
| 11:30 AM | Hands-on and articulator session (Martin Lampl) |
| 12:30 PM | Lunch break |
| 1:30 PM | Lecture "Functional occlusion with digital dentistry" (Nikhil Bahuguna) |
| 2:30 PM | Panel discussion "How to be successful with edelweiss SYSTEMS" (Desigar Moodley, Stephan Lampl, Martin Lampl, Marco Tudts, Nikhil Bahuguna & Deepak Mehta) |
| 4:00 PM | Return to hotel |

Departure Day

16th December

HANDS-ON DEMONSTRATION

1. Direct VENEERS and OCCLUSIONVDs Workshop: You will have the opportunity to work firsthand under the expert guidance of our lecturers.
 2. Occlusion Workshop: You will be taught how to adjust the articulator and learn how to increase vertical dimension in severe worn dentition.
 3. CAD/CAM Workshop: Full digital workflow will be demonstrated and you will get the opportunity to mill a crown and characterize and stain the restoration.
-

ALL INCLUSIVE WORKSHOP

NOTE

Course language: English

Deadline for cancellations
of the participants:
10th November 2023

INCLUDING

- Ground transportation – dinner locations, office and hotel
- Accommodation for four nights
- Food and Beverages
- Material for the workshop
- Group dinners on 12th, 13th, 14th and 15th December
- Observing application of edelweiss SYSTEMS on Live Demo
- Dentists' own models are getting analyzed during workshop*
- Post-workshop support

* THE OPPORTUNITY:

Bring your patient's plaster models and analyze the cases under professional supervision during the workshop. Please take into consideration that many patient cases are suitable for starting to work successfully with edelweiss dentistry products. However, some cases may be refused due to situations, such as severe crowding for instance. Therefore: for evaluation purposes, pictures of plaster models need to be sent to your dealer prior to the course.

Full reimbursement of registration fee is guaranteed if the cancellation happens not later than 10th November 2023. No reimbursement in case of cancellation after that date.

We reserve the right to cancel the event in case of circumstances beyond our control.
In such case your course fee will be refunded in full.

Certificate

A certificate of attendance will be provided at the end of the course.
